Re: Sponsorship of the Communities in Bloom Project

On behalf of the Town of Shelburne, **Thank You** for your generous contribution of \$1,000.00 towards the Communities in Bloom, Greenwood Park project.

Construction of the project is expected to begin shortly and be completed by in the summer of 2011.

If it weren't for people and organizations like yours supporting the beautification/redevelopment of Greenwood Park, this project would not be realized.

Once again, please be assured that the Town of Shelburne appreciates your pledge.

Yours Truly,
